

**A Message from your Primary Care Network Core Members,
Dr. Deema Abdulhadi, Gord Canning, NP, Dr. Vashti Persad and Dr. Paul Philbrook**

The Northwest Mississauga spoke event is just around the corner. We invite and encourage you to join us on June 1 at Culinaria Restaurant. We're looking forward to hosting yet another successful event in which we reconnect with our peers and meet those who we have not yet met. If you have not yet done so, please RSVP to info@primarycarenetwork-mh.ca.

Primary Care Network May Meeting Recap

Primary Care Advisors: Your trusted health system guide

This month, we were joined by our team of Primary Care Advisors (PCAs). The PCAs, a team unique to our LHIN, meet one-on-one with primary care physicians to share valuable resources and information and assist with system navigation. The PCAs have recently started distributing a new cycle of information and your PCA, Shellie, would be happy to meet with you. If you'd like to meet with Shellie, please contact her at shellie.diplock@mh.ccac-ont.ca
