

A Message from your Primary Care Network Core Member, Dr. Samy Faltas

As you know, the LHINs are taking on more of a role in Primary Care, resulting in a more focused approach to sub-regional planning. To address the lack of interdisciplinary team resources that exist in Family Health Teams and Community Health Centres in Southwest Mississauga, the LHIN plans to create a primary care hub concept in our sub-region. As your Primary Care Network, we want to inform this implementation and ensure that your interests and ideas are represented at the planning table. Please contact me at info@primarycarenetwork-mh.ca to submit your input.

Primary Care Network May Meeting Recap

Primary Care Advisors: Your trusted health system guide

This month, we were joined by our team of Primary Care Advisors (PCAs). The PCAs, a team unique to our LHIN, meet one-on-one with primary care physicians to share valuable resources and information and assist with system navigation. The PCAs have recently started distributing a new cycle of information and your PCA, Lindsay, would be happy to meet with you. If you'd like to meet with Lindsay, please contact her at lindsay.fedchyshyn@mh.ccac-ont.ca.

Stay tuned for information on upcoming Primary Care Network events in the Fall.
