

**A Message from your Primary Care Network Core Members,
Dr. Corinne Breen and Dr. Kristiana Martiniuk**

Last month, we shared with you the Primary Care Network's outlined goals for the year. As we work toward achieving these goals, we aim to involve and engage as many primary care providers in our region in helping us do so. A goal of ours is to create a mentorship program for new primary care providers in the area. That said, if you are interested in being a mentor to new family physicians, kindly contact Dr. Kristiana Martiniuk at klcmartiniuk@gmail.com.

Primary Care Network May Meeting Recap

Primary Care Advisors: Your trusted health system guide

This month, we were joined by our team of Primary Care Advisors (PCAs). The PCAs, a team unique to our LHIN, meet one-on-one with primary care physicians to share valuable resources and information and assist with system navigation. The PCAs have recently started distributing a new cycle of information and your PCA, Michelle, would be happy to meet with you. If you'd like to meet with Michelle please contact her at michelle.gregory-brooks@mh.ccac-ont.ca

Halton Healthcare Staff Categories

As you may recall, last month we shared with you the PCN's goals for the year, one of which focused on connecting primary care providers with the Hospital. The Department of Family Medicine at Halton Healthcare offers affiliate level privileges for \$40 per year. This entitles you to: upcoming CME opportunities, updates on new outpatient services, information on new specialists and networking opportunities. For more information on Halton Healthcare staff categories, or to inquire about applying for hospital privileges, please contact Paula Wallace at pwallace@haltonhealthcare.com.

Upcoming Events

Halton Healthcare Tuesday CME Sessions (OTMH Site)
May 30 @ 12:00 pm - 1:00 pm
