

A Message from your Primary Care Network Core Members, Dr. Ademola Olufemi and Dr. Michael Kates

The Primary Care Network is meeting one more time before we break for summer “vacation.” We openly welcome a discussion about Primary Care in our community. Issues such as gaps in care, community service and manpower issues etc., could be openly discussed at our PCN forum or individually. There are a lot of changes happening in Primary Care and our voice is more important than ever! If you’d like to bring anything to our attention, please contact us at info@primarycarenetwork-mh.ca. As your Primary Care Network, we want to ensure that your interests and ideas are well represented in system planning.

Primary Care Network May Meeting Recap

Primary Care Advisors: Your trusted health system guide

This month, we were joined by our team of Primary Care Advisors (PCAs). The PCAs, a team unique to our LHIN, meet one-on-one with primary care physicians to share valuable resources and information and assist with system navigation. The PCAs have recently started distributing a new cycle of information and your PCA, Jennifer, would be happy to meet with you. If you’d like to meet with Jennifer, please contact her at jennifer.tran@mh.ccac-ont.ca.

Stay tuned for information on upcoming Primary Care Network events in the Fall.

Upcoming Events

Medical Psychiatry Collaborative Care Certificate (MP3C) Modules
