

What's happening in primary care?

1. **Primary Care Clinic Day 2019** – We are exploring a different format this year and we need your help in shaping the agenda for this one-day conference so that it meets your needs and interests. Please [click here](#) to complete our two-minute topic survey.
2. **Mississauga Halton LHIN Primary Care Advisors (PCA)** – Your PCA, Judith Van Veldhuysen, will bring you information on new community resources that are available for your patients (many of which are free), upcoming CMEs, so you can earn Mainpro+ credits, and changes to current referral processes. This cycle, Judith will be sharing information on:
 1. **MSK Central Intake:** Learn about the new process to make a referral for hip and knee arthritis and low back pain
 2. **Assess and Restore:** Get informed about rehabilitative programming available for frail seniors to restore recent functional loss
 3. **eVisit:** Sign up for secure online visits with your patients for non-emergency health requests through secure messaging, secure audio and secure video calls
 4. **Centre for Effective Practice:** Earn MainPro+ credits by participating in academic detailing on Opioids & Alternatives for Chronic Non-Cancer Pain in the convenience of your office
 5. **MICC Needs Assessment Survey:** Have your voice heard! Contribute to the planning of team-based care delivery with a focus on clinical and social determinants of health by [completing an online survey](#).
