

# Primary Care Advisors

*Your trusted health system guide*

**Assist you and your office staff with navigating the system and finding the right resource that fits your patients' needs**

**Bring you up-to-date information on programs and initiatives to support you and your patients**

**Gathering input and feedback from you to inform health care system improvements**

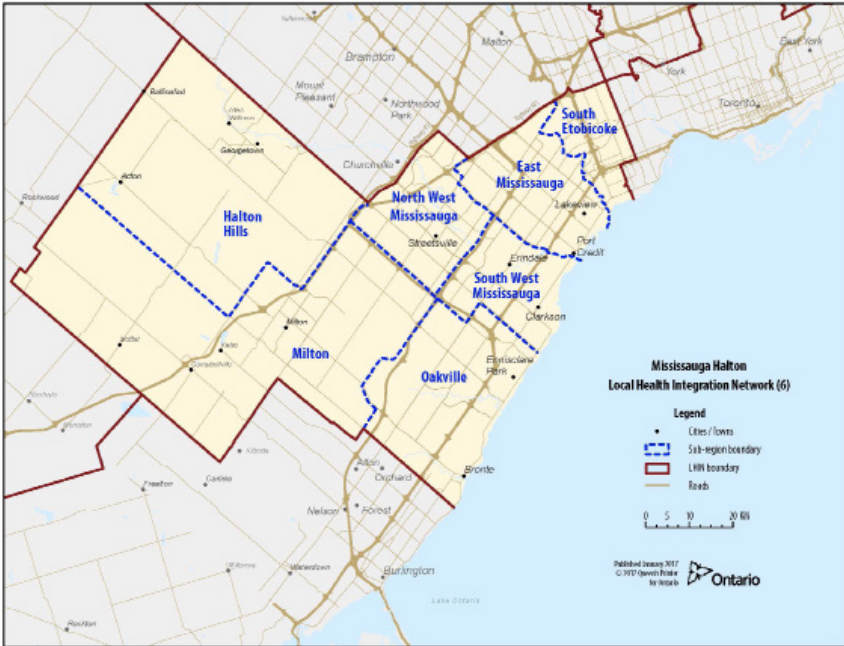

**Connecting primary care to the information you need, when you need it.**

**Ontario**

Mississauga Halton Local  
Health Integration Network
