What is the SAR?

The Screening Activity Report (SAR) was developed by Cancer Care Ontario as a supplementary tool to support patient enrolment model (PEM) physicians in improving their cancer screening rates and appropriate follow-up. The SAR provides a comprehensive summary of patients' breast, cervical, and colorectal cancer screening related history and is comprised of three types of reports:

1. **Dashboard:** a snapshot of enrolled patients' cancer screening statuses and a comparison of screening rates to physicians in your LHIN and across the province.
2. **Enrolled Patients Screening Summary:** an integrated view that displays the cancer screening status for breast, cervical and colorectal screening for all of your enrolled patients between the ages 21 and 74 years.
3. **Enrolled Patients Program Reports:** provides the cancer screening related history for all eligible and enrolled patients, per program:
 - BREAST: Enrolled Patients (50-74)
 - CERVICAL: Enrolled Patients (21-69)
 - COLORECTAL: Enrolled Patients (50-74)

How can my colleagues or clinic staff register?

The SAR is available online to patient enrolment model (PEM) family physicians across the province who are registered with eHealth Ontario's ONE®ID. If you have colleagues who are interested in accessing their SAR online, please forward registration requests to ONEIDBusinessSupport@ehealthontario.on.ca. Registration appointments will be scheduled based on the location and/or time of request.

You may also authorize other users, such as a clinic administrator or nurse, to view your report as a delegate. Delegates must also register with ONE®ID before accessing your SAR.

Already registered?

If you have already registered, but have not yet logged in or have forgotten your password, please follow these steps to retrieve your ONE®ID password:

1. Visit www.cancercare.on.ca/SAR
2. Select the "I forgot my ONE®ID password" link.
3. Enter your Login ID (firstname.lastname@oneid.on.ca) and date of birth.
4. Next, you will be prompted to verify your identity by answering a set of challenge questions selected at the time of your registration. **Note:** Answers are case-sensitive.
5. Create a new password.

Now you are ready to view your SAR. Please visit www.cancercare.on.ca/SAR and click "Access your SAR" to log in using your Login ID and password created above.
